King’s Park Excursion – Year 4 2015
LA 8 and LA 9 – Friday 13 March 2015
LA10 and LA 11 – Friday 20 March 2015

Dear Parents and Care Givers

As part of our Year 4 Science theme on The Life Cycle of Plants, the Year 4 students from L.A. 8/9 and 10/11 will be attending an excursion to King’s Park Botanic Gardens on Friday 13 March 2015 and Friday 20 March 2015 respectively. The excursion will be from 8:45am to 2:30pm. The objective of the excursion is to give students an opportunity to further their understanding of the concepts explored in the Science units we have been undertaking this semester.

Activities will centre on looking at the characteristics of some amazing native plants and a look at these plants at different life stages. Students will also engage in a short history walk around the area looking at the changes in our community since European settlement.

Two parent helpers from all Learning Areas will be required, if you are available, please contact your child’s classroom teacher. There is no cost for parents to attend. Parent helpers need to be available from 8:30am till 2:30pm and must be able to travel on the bus with the students.

The cost of the excursion will be $17.00 which will cover the transport costs and the excursion venue. Money is payable to the office. Please return money/permission slips and medical advice in the envelope provided to the School Administration by no later than Tuesday 10 March 2015. Students unable to attend will be catered for in another classroom for the duration of the excursion.
