Wednesday 21st August, 2013 @ 9am
RESILIENCY AND YOUR CHILD

Focus Group: Year 5

Guest Speaker: Sharon Declerck - School Psychologist

Sharon Declerck will speak about resilience in our children and strategies to ‘bounce back’ after encountering difficulties, negative events, hard times or adversity. You will also have the opportunity to visit a Year 5 classroom where they will be involved in a resilience activity.

VENUE: Staff Room

---

Wednesday 11 September, 2013 @ 1.30pm

Games for developing numeracy

Focus Group: Year 3

Guest Speaker: Mrs Kym Raphael

Come along and learn about the variety of games you can play with your child to develop further understanding of Numeracy. You will then be invited into your Year 3 child’s classroom to be a part of this learning.

VENUE: Staff Room – Campbell PS

---

Wednesday 25th September, 2013 @ 9.00
iPads in the classroom

Focus Group: Years 1 & 2

Guest Speaker: Ms Amanda McGovern

Technology in the 21st Century is a part of our child’s every day at school. Come along and listen to Amanda McGovern discuss how iPads are used to support literacy and numeracy in the classroom. You will then be invited to interact in an Ipad lesson within a classroom.
