Our trip to Canberra is rapidly approaching, with the excitement building across the seven classes. Sixty-nine students will be attending the trip with eight staff members.

**Trip Cost**

The cost of our trip is $1510 per student. GST has been deducted along with the Government Rebate of $240.00 per student. The final cost of $1510 must be paid no later than **Friday 27 June 2014**. This cost does not include travel insurance. All students attending are required to have appropriate travel insurance. **Students who do not have appropriate insurance cover are not able to participate in this trip.**

School are sometimes asked by parents to arrange travel insurance or to provide recommendations about where to obtain travel insurance. However, the Department and schools are not permitted to obtain or broker travel insurance for students or any other person.

Normally, travel insurance cover is limited to matters such as loss of baggage, cancelation or changes to student travel arrangements etc. The personal accident component of travel insurance may include limited emergency expenses. You should read the terms of your travel insurance carefully, particularly to ensure that you are satisfied with the terms of the travel insurance you obtain for your child. Please provide the school with a copy of your policy and your Medicare card in case professional medical attention is required.

You can make regular payments through the school office or via direct deposit as often as you like. If you are paying through the school office please ensure it is in a clearly labelled envelope - Campbell to Canberra, Child's name and Learning Area.

Direct deposits can be made into the schools account
