Dear Parents

Welcome back to the 2015 school year at Campbell Primary School and welcome to both returning and new families.

Greetings to Staff, students, parents and community members and welcome to the first newsletter for 2015. It gives me great pleasure to write the first newsletter as Principal of Campbell Primary School. As you may be aware, Ms Allsop was successful in gaining a substantive Principal position at Sutherlands Dianella Primary School at the end of 2014 and Mr Glendinning was successful in winning the Director of The Professional Learning Institute. I have moved across from Ardross Primary School for Term 1 and possibly Term 2 as the position of Principal will be advertised to be filled substantively for Semester 2. In the interim I look forward to working with the outstanding staff, students and parents of the school community. Already I have noticed the enthusiasm and love of learning across the school with a warm, friendly and welcoming environment evident.

Campbell has a number of new and returning staff in 2015 and we would like to welcome the following teaching staff to Campbell:

- Emma Williams  K
- Emily Partington  PP
- Janelle Gray  Yr 2
- Anne Doyle  Yr 4
- Slavica Zivkovic  K
- Jess Forman  PP
- Natasa Vujovic  Yr 2/3
- Mandy Slee  JP FMS

Our P& C are planning a number of fundraising opportunities for Campbell in 2015 and we encourage as many parents as possible to take a role in the P and C to ensure our students have the best resources and opportunities available. Please read the P and C Newsletter each week and consider opting in for some of their endeavors; you will be greatly appreciated.

Teachers will be running a 30 minute parent information session either before or after school in Week 3 or 4 for our K to 6 students. All handouts will be available in both hard copy and via our website [http://www.campbellprimaryschool.wa.edu.au/](http://www.campbellprimaryschool.wa.edu.au/). Meeting times will be as follows.

The Parent Meetings are an opportunity to meet your child’s classroom teacher, and as such will cover important information regarding the smooth operations of the class. Should you wish to discuss your child more personally, please make an appointment to ensure the conversation is at a mutually agreeable time. For any urgent matters where there is no time to make an appointment, please contact the Assistant Principal who looks after your child’s year level.

Mrs Ward K,PP and Year 1
Mrs Coslani Year 2 to 3
Mr Williams Year 4, 5 and 6

Attendance is of great importance to a child’s success at school. Please ensure that your child attends school regularly and if there are circumstances which prevent this, please talk to your child’s teacher.

Voluntary Contributions and Charges
Thank you to those parents who have paid their Voluntary Contributions and Charges either at the Administration or through Crystal Office Max. Payment can be made at the School Administration and payment can be by cash, cheque or Eftpos.

Book Levy 2015 – Year 2 to Year 7 Students
The Maths ($10.00) and Spelling ($15.00) books levy on the 2015 booklist have arrived. Books have been distributed to the students as these texts form an important part of the Teaching and Learning programme within the class. For those who have not paid the book levy please do so as soon as possible at the School Administration.

Uniform News
Due to the large number of uniform sales some sizes are now out of stock. Parents will be advised through the newsletter once new stock has arrived.

Attendance
As we start the year it is important for parents to remember that regular attendance at school will ensure student participation in education programmes.

A student who misses ten or more days of school per term is considered at Educational Risk. This is simply because they have not been able to regularly participate in the educational programmes and activities.

Parents are asked to ensure that students arrive before the siren each day; if your child is late, they are required to go through the School Administration for a late pass and recording of arrival time. This late pass will be sent home with students for parents to sign. The pass must then be returned to the School Administration the next morning as all lateness will be tracked this year and parents contacted if lateness is an ongoing issue.

Student A4 and A3 Folders
Parents are advised that the student portfolios are currently out of stock, upon arrival parents will be notified in the newsletter. The cost is $16.55 for the A3 and $10.90 for the A4.

For those parents who have paid via the booklist, Cristal Office will be sending through files and a list of students who have paid in the coming weeks, these files will be sent to class on arrival.

Confidential Declaration Form
Enclosed with today’s newsletter is the Confidential Declaration form for parents to complete, one per family. All parents who wish to help within the school in classrooms, excursions or canteen must complete this form and return to the School Administration. Please return these forms by next Friday 13 February 2015.

School Times
A reminder to parents of the school times, please make note that the alternative closure time is still on Wednesdays at 2.30pm.

Students must not arrive at school prior to 8.15am and must be picked up from school by 3.20pm.

Professional Development Day – Friday 27 February 2015
Parents are advised that the first Professional Development Day for staff for 2015 is Friday 27 February 2015. Students do not attend on this day, parents are asked to make alternative arrangements.
IMPORTANT

Parents please read the following information as this could apply to your child/ren

Before and After School Care 2015

Students who attended before or after school care in 2014, should have received a new permission form to complete. Please return to the School Administration as soon as possible. Please be aware this is necessary to ensure the safety of your child and is a Department of Education’s Duty of Care Policy, that a new form is required for each school year.

Parents, if your child has not received a form and does attend before and after school care, or are collected on a regular basis by people other than immediate parents, please come to the School Administration and complete a new permission form for 2015.

If you are unable to come into the Administration please telephone the school on 9456 8300 and request a form be sent home with your child for completion and return. Alternatively a copy is available from the school website.

Student Contact Details

If there have been any changes to your child’s contact details please advise call into the School Administration or telephone on 9456 8300.

Visa Numbers

Parents are asked to advise the School Administration of any changes to their child’s international visa number. Please telephone Elena Chitty on 9456 8300 or email her on Elena.Chitty@education.wa.edu.au as soon as convenient.

Lost Property

All lost property at Campbell will be kept in a blue trolley outside the Information Centre. Parents are asked to ensure clothing is named, so if it is misplaced it can be returned to the owner.

Medical Information

If your child has a medical condition or there has been a change in your child’s medical condition or plan, please advise the School Administration as soon as possible.

If parents have received a telephone call regarding expired medication, you are asked to supply the school with new medication immediately.

If parents have not yet advised the school of new or existing conditions, we also ask that you come to the front office and complete the necessary forms. Please note that the school can only administer medication that is under a doctor’s prescription.

Campbell Primary School is a Nut Free Zone

A number of students enrolled within the school have allergies to nuts and particularly peanuts. I am informed by the Health Department of WA that the occurrence of nut allergies is rising and is of concern within the general community.

Our Duty of Care at this stage is focused upon the students within our care who exhibit a variety of symptoms from minor, to extremely severe, on the slightest contact with nut based products.

In conjunction with the parents of the individual students and their teachers, action plans and awareness have been developed and are in place within the school. The students themselves are aware of their allergies and can avoid the products when obvious.
The difficulty we have is that in several instances the smallest and most casual contact with nuts, nut dust and nut based spreads including peanut paste and hazelnut spread, can cause a severe reaction.

As a result of discussions with the Health Department and parents, we are asking that parents of all students **avoid all nuts and the use of nut based spreads in the provision of snacks and lunches to students at the school. This means avoiding peanut paste, hazelnut spread and bags of nuts. It does not include muesli bars.**

I understand that this is a difficult issue in terms of eating habits of children, but all parents would appreciate the need for Campbell Primary School and its community, to ensure the safety of all students at our school and thank you for your co-operation. Parents who wish to discuss the issue further are asked to contact the school office.

### Assembly Times 2015

School assemblies for Year 1 to 6 in 2015 will be held on a Friday morning 8.55am – 9.25am fortnightly. The first assembly for this year will be next Friday 13 February 2015. We look forward to seeing parents and community members there.

### Non - Interruption Time 8.55am – 11.00am

Campbell Primary School follows an uninterrupted time between 8.40am – 11.00am each day where students will be mainly focused on Literacy and Numeracy activities. During this time interruptions to learning areas are avoided. Parents are also asked to support this approach.

### 2015 Parent Information Booklet & School Annual Report

This information will be available in the coming weeks.

### School Health Nurse

Community Health Nurses, employed by Child and Adolescent Community Health, are available to assist families with any health related concerns that may affect their child at school. The nurse can be contacted on 9452 2649, or by written request on a Referral to Community Health Nurse form, available via the School Office. Our community nurse for 2015 is Jennifer Reddy.

### Parking Information and Cautionary Note – City of Gosnells

The cautionary advice is in response to complaints received by Council as to the parking and driving habits of some persons which are considered potentially dangerous to the safety of school children, road users and pedestrians in general.

In an effort to provide a safer environment for everyone we ask that the following parking guidelines are observed at all times. In future, failure to comply is likely to result in the issuing of parking infringements.

- **DO NOT** stand or drive on any footpaths
- **ENSURE** vehicle is parked wholly within marked bay
- **DO NOT** stand vehicle against the flow of traffic
- **DO NOT** double park
- **DO NOT** stand vehicle in Bus Stops
- **DO NOT** stand vehicle within 18 metres of the approach side of Pedestrian Crossings and Bus Stops
- **DO NOT** stand vehicle within 9 metres of the departure side of Pedestrian Crossings and Bus Stops
- **DO NOT** stand vehicle within 6 metres of any road intersection (taken from nearest property)
- **DO NOT** stand vehicle on any road verges without written permission from the land owner
- **DO NOT** stand a vehicle in marked Bays for the use of Disabled Person’s without ACROD sticker clearly displayed
- **PLEASE OBSERVE PARKING RESTRICTIONS (READ THE SIGNS)**

Your assistance in the matter would be appreciated – **City of Gosnells Ranger Services**
Campbell Primary School is committed to educating and supporting families to eat healthy food and lead an active life. We are a certified Crunch&Sip school, providing a short break during the day for students to eat a piece of fruit or salad vegetables and sip water.

There have been many positives that have come from becoming a Crunch&Sip school. Here are just some:

- It assist with concentration and mental performance
- It assists physical performance
- Students are exposed to a wide variety of fruits and vegetables that other students bring from home. As a result, students go home and ask their parents if they can try one at home.
- It provides daily routine for eating healthy foods
- It educates students of the importance of being hydrated through drinking water.

To help your child participate in Crunch&Sip® please provide a clean, clear plastic bottle of water and a small piece of fruit or vegetable each day. The bottle for water can be any clean, clear bottle (e.g. empty juice, cordial, water or sports drink bottle etc.). The fruit can be any variety of whole or chopped fruit (e.g. apple, chopped melon or dried apricots*) or vegies such as carrot or celery sticks. Other drinks or foods are not permitted in the classroom.

* Note: dried fruit contains high concentration of sugar and tend to cling to teeth, therefore increasing risk of tooth decay. Although dried fruit is permitted, fresh fruit or vegetables should be first choice.

Physical Education News

Welcome Back
I would like to welcome everyone back for 2015. This year will be another awesome year for sport with a number of inter-school events, Tabloid days, clinics conducted by various Sport Development Officers and some special fun days.

Sun Smart Students
All students are reminded about the following Sun Smart messages when participating in outdoor activities at Campbell Primary School.

1. Hats: all students must wear a broad brimmed hat when outside. A strict NO HAT, NO PLAY policy will be enforced.
2. Sunscreen: given the heat we are experiencing at the moment, it is important that students apply sunscreen prior to coming to school. There will be small supplies available to students to reapply during sport sessions and outdoor activities.
3. Water: students must come to school with water bottles. Re-hydrating during and after physical activity is vitally important for the health and well being of our students.

On a side note, wearing appropriate footwear to Physical Education is also important. Students are encouraged to wear sneakers for their own safety.

Campbell Primary Golf Academy
The Campbell Primary golf academy will again be up and running in 2015. For those not familiar with the program it is an active 1 hour golf session with the golf professional Michael Bratovich at Gosnells Golf Club. The program includes 7 sessions for $100, which is paid directly to the golf club on the first session. The program will be held at Gosnells Golf club commencing on Wednesday 11 February from 2:45pm – 3:45pm. If your child would like to participate in the program please collect a permission slip from the front office and return to Mrs Gill.

School Banking
Welcome to School Banking for 2015. I hope you all had a wonderful break and settling back into the school routine. School banking will commence again in week 2 at the main school and will run on a Friday morning from 8.20-8.40am next door to the staff room. I will also be running school banking at the off-site Kindergarten from week 3, this will be held on a Wednesday morning to enable both groups to participate. I will be in the staff room from 8.20 until 8.40. Accounts for school banking can be opened at any Commonwealth branch.

I look forward to seeing you all soon. If you have any queries please do not hesitate to contact me.
