Dear Parents

TOMORROW the school’s ANZAC Day Commemoration Service is being held commencing at **10.00am sharp** in the School Boulevard. We would like to invite you to share this service with us, please be seated from **9.40am onwards**.

We would appreciate the donation of flowers, greenery or wreaths, please send these to the Conference Room next to the Staffroom by **8.30am**. If any parents are willing to help in putting the wreaths together please meet Mr Williams in the staff conference room at 8.30am, your help will be greatly appreciated.

Students who attend Scouts, Guides etc are most welcome to wear their uniform for the service.

As this is a significant service commemorating 100 Years since the Gallipoli Landing, students may also wear any Service Medallions their family may have. If parents are not available to collect medals from their child at the end of the service please advise the class teacher who can keep them in a secure place for the remainder of the day.

Staff have been conducting many teaching and learning activities for students in the lead up to the ANZAC Centenary. A significant amount of work will be on display during the school service. Thank you to Mrs Avery and the Humanities Committee, and Mrs Musca and Mrs Louise for the art display.

Thank you also to Miss Almeida and Mrs West and the School Band and Choir, who have worked hard to ensure a respectful program has been developed. Thank you to Mr Williams and the Student Councillors for their efforts in ensuring the smooth coordination of the Service.

I look forward to meeting many parents at the Service.

Welcome back to staff and students for the beginning of Term 2. We have a number of events during this term and ask that parents keep a copy of the term planner on their fridge, so you and your child know what is on and what’s coming up.

In Week 3 we have the **Mother’s Day stalls** being run by the P and C. The main school stall is on Friday 8 May 2015 and the Kindergartens will be on Tuesday 5 May 2015 and Thursday 7 May 2015, both at 11.45pm. All gifts are $6.00 please send money in a sealed envelope with your child on the day of their stall.

In Week 4 we have **NAPLAN** for our students in Year 3 and 5. The tests will run throughout the week and we ask that all students in these year levels attend school in order to complete the testing. Results from the NAPLAN testing will be available in September. The testing will follow the program below

Friday 15 May 2015 is set aside for ‘catch-up’ testing for absent students. Please ensure where possible, your children in Years 3 and 5 attend for all testing.

In Week 10 students will bring home summative **reports for Semester One** on Friday 26 June 2015. All teaching staff will be available for parent interviews the following week. Booking of interview times this year will be online. Available session times for teachers you wish to speak to will be published closer to the interview week.

For any parents who need to purchase uniforms for their child for winter, please note that uniforms are sold at the School Administration every day between 8.00am and 4.00pm. Please ensure all items of clothing are labelled as jumpers are the bulk of our lost property during the colder months.

Music Smarties: **Ensembles:** Our Senior Band and Senior Choir have been working really hard to get ready for our first performances at the ANZAC Commemoration Service tomorrow Friday 24 April at 10:00am. Students involved please remember to wear your long black pants, black shoes and black socks to school on Friday morning.

We are looking forward to the Year 5 Band starting very soon. Year 5 Band will be on Thursdays after school from 2:50pm-4:00pm and all low brass, trumpet, clarinet, flute and percussion students will need to attend. A note will be distributed soon for all students who will be involved.
Class Music: We had such a wonderful time in Music in Term 1. Here is a brief snap-shot of some of the exciting things that happened.

- The Year 6 students learned about music from Australia and other countries. They ended their term by composing a piece of music with their partner using percussion instruments, using unison, echo and call and response sections, and performing it for the class.
- The Year 5s have been creating some fantastic music video clips whilst the Year 4 and 2 students composed some peaceful Pacific Island and Japanese Garden soundscapes.
- The Year 3 students started off fantastically on their recorders. We hope you are enjoying their playing at home (maybe it’s even bringing back some memories of your own time at school!). They have also been learning all about creating music using compound time and rhythms and have given some fantastic performances this term.
- Year 1s have been learning all about music in a transport context, with a focus on music notation. They have learned some fantastic songs and were able to write down the rhythms for these.

Looking forward to another exciting term of music making!

Kindergarten News
We had a very busy end to the term at the Kindy and Constable Care came to visit us with his fantastic puppet show. Scott told us about the golden rule when being an audience, and that was to sit quietly. The puppet show was called Celebration and was about a class planning their class party. They wanted to make sure everyone could join in from a range of cultures, so they found out how people from all over the world celebrate. We really enjoyed the show and learnt lots about diversity and how a range of cultures party and celebrate special occasions.

What a great start to the term this week! Students reflected on their holidays with some fantastic drawings and writing.

This week we learnt about the ANZACs and what it means to remember them. We had a very special obstacle course where we commando crawled, galloped, marched and ducked in and out of the bushes. Lots of classes made ANZAC biscuits and soldiers. We read lots of stories and took time to reflect on the importance of ANZAC day.

In Week 3 we will open our classrooms for our Mother’s Day morning. We invite all our mums to stay and let us pamper you, and have some fun.

- Group A: Tuesday 5 May 2015 - 9.00am until 11.00am
- Group B: Friday 8 May 2015 - 9.00am until 11.00am.
We look forward to seeing our mums then.

100th Anniversary – Gallipoli: To commemorate the 100th anniversary of the Gallipoli landings and the ANZAC legend, Campbell Primary School is celebrating our own ANZAC Heroes. Students from Kindergarten to Year 6 have searched their family trees to share their personal stories and the journeys of people close to them who have been involved in worldwide conflict.

This work will be on display in the boulevard Friday morning prior to and after the ANZAC ceremony. Please take the time to view our ANZAC Heroes as we at Campbell show our respect for these brave men and women who served their respective countries.

Helping your child succeed!
There are many things parents can do to help their child to achieve reading success.

Here are just a few:

• Frequently read to your child. Reading a book everyday dramatically improves results.
• Have regular positive communication with your child.
• Talk about what you have done during the day. (If this is difficult you may need to model the language for your child, by describing your day.)
• Discuss social or political issues with your child.
• Discuss films, books and TV shows with your child.
• Eat main meals together.

Studies have shown that regular and positive interaction between parent and child will have a significant influence on a child’s reading ability. Regular discussions with adults also expose children to new and higher order vocabulary. All of the factors listed above are achievable for most families, they don’t take much time, and you don’t need a PHD to implement any of them. Your child will reap the rewards!
