Dear Parents

Campbell Champions  Last Friday I had the privilege of hosting 32 Campbell Champions for lunch. Campbell Champions were chosen in Term 1 for their outstanding efforts in exhibiting the Campbell Term 1 virtue of friendliness. All students were invited to the Office Conference Room where Mrs Goddin had done a terrific job in setting up the room. Mrs Povey and Mrs Healy our tireless canteen workers delivered our lunches at 12.00pm and we all enjoyed each other’s company as we sat and ate our very healthy meals. As part of our KidsMatter program implemented across the school, we are raising the profile of the Campbell Champions. Not only did the students enjoy a great lunch, all Campbell Champions are displayed on a special Champions Board in the Information Centre. Thank you to Mrs Cole for taking the photos and displaying them so professionally. I look forward to hosting more Campbell Champions in the future.

Removal of Transportable Classrooms: Parents may have noticed that we have had a transportable classroom removed from the edge of the oval. The second transportable classroom will be removed this Tuesday, so parents and students are asked to observe all safety procedures put in place around this area as workman will be on site from 7am. When the remaining transportable is removed, we will have a large area to work with to rehabilitate. We are investigating options for this space in the near future.

Mother’s Day: It was wonderful to see so many mums and grandmas in the Pre Primary classes today celebrating Mothers’ Day with their children. All student where engaged in various Mothers’ Day activities and having a great time. I wish all Mothers a Happy Mother’s Day on Sunday and hope that you are appropriately spoilt by your children!

KidsMatter Parent and Carers Survey – Thank you to all the families who completed our KidsMatter survey, the information provides valuable feedback on how the school can support families and Carers.

Congratulations to the winners of the $20.00 voucher for the canteen:
- Ms Mackintosh
- Lachlan and Chloe S
- Rafferty V
- Mrs Khurana

Applications for Kindergarten and Pre Primary 2016 are now being taken at the School Administration. Forms are available from the office or on the school’s website. Parents are required to provide birth certificate, immunisation records and 3 proof of residency. At this stage this is an application process only, parents will be advised in Term 3 of places offered. Parents wishing to apply for Kindergarten 2016 are advised that applications for enrolment can be made at ONE SCHOOL ONLY.

NAPLAN: I would like to wish students in Year 3 and 5 good luck for their NAPLAN testing next week. Parents are asked to read this information to help make their child’s week a little less stressed.

Helping your child through NAPLAN 2015

It is that time of year again where students in Years 3 and 5 participate in NAPLAN. It can be an anxious time for students where students feel stressed and a lot of pressure. You may notice some changes in your child such as an increased irritability, being easily upset or becoming unusually clingy! Students have been preparing for the tests at school by developing skills such as time management and exploring the different question formats; however parents have an important role to play by helping their child to cope with the challenges of NAPLAN week. Mental health and well being is especially important during these times and a bit of extra nurturing and comfort can help students feel secure and more confident!

What can you do to help?

1. **Talk to your child** – Be open and receptive to how your child feels. Discuss strategies to use when you’re nervous (e.g. have a sip of water, positive statements, a few deep breaths)
2. **Keep to the home routine** – Treat NAPLAN week as any other week. Try not to place too much emphasis on the testing.
3. **Encourage a good night’s sleep**
4. **Encourage your child to have breakfast** – If they don’t feel like breakfast due to nerves, give them some food to take with them like some fruit to eat when they get to school!
5. **Encourage your child to do their best** – teach helpful thinking such as… instead of thinking “I can’t do this”, encourage them to say “I’ll give it a go!”
6. **Keep things in perspective** – NAPLAN is only one test on one day! It is not the end of the world if students have a bad test. It is only one tool used to inform literacy and numeracy programs.
7. **Encourage and model resiliency** – if your child feels disappointed about a test, help them “Bounce Back!” Help them accept what they can’t change and know that the next day is a new day – with a fresh start!

**Year One - Your Trash - Our Treasure**

The Year One classes are seeking any old kitchen utensils, cups, pots and pans to be used in our playground. If you are having a kitchen spring clean, please send in any old items you no longer require to the Information Centre. Things that would be suitable to be used by students include plastic or metal items.

Children have been running a bit of a café at the moment using some old muffin trays and serving their customers who are seated on the tables and chairs that were kindly purchased by the P&C.

Thank you - **Year One Playground Committee**
**Phys Ed News:**

**Cross Country Sponsorship Forms:** It is cross country time again! For the next 4 weeks our Campbell kids will be training for the cross country in their PE time. Please ensure your child is wearing the appropriate footwear and have a hat and drink bottle at School. School cross country carnival is in Week 8 Friday 12 June 2015. Last week each student from Pre Primary to Year 6 should have received a cross country sponsorship form. We encourage parents to support their child and the school in raising funds to purchase equipment and resources for the Specialist Learning Areas of the school. All completed forms and funds must be returned to the School Administration by no later than Friday 29 May 2015. Every student who returns their sponsorship form will go into the draw for an iPad mini or a iPod touch.

**Interschool Uniforms:** Interschool uniforms need to be returned to Mrs Gill ASAP ready for the Interschool winter carnival teams.

**Total Football Academy:** TFA has begun Wednesday mornings from 7:30 – 8:30am at Campbell PS oval. If your child would like to participate in this program please collect a form from the front office.

**Interschool Winter Carnival:** Our year 5/6 Campbell students are currently trialling for the Interschool winter carnival in Week 9 on Friday 19 June 2015. The sports this term are netball, soccer, football and league tag. We are in need of some parent coaches to assist us with netball coaching. If you are available to help on the day please see Mrs Gill.
