Dear Parents

The Staff and Students would like to wish Mrs Grimaldi and her husband all the best in the future with the birth of their child and would like to welcome Ms Jessica Snell who will be taking over the teaching role in ELA2 for the remainder of the school year.

NAPLAN testing has been held this week and the catch up sessions will be held tomorrow Friday 15 May 2015 for students who may have missed the tests. The tests went well and thank you to the students for their positive approach during the testing. Results and individual student reports will be received in September 2015.

Alternate Closure for Parent Interviews: Friday Week 10 students will receive a summative report for semester one. Parents will have the opportunity to meet with teachers across the school regarding their child’s report during Week 11. A half day alternate closure is in place for Wednesday 1 July; students will finish school at 11:30am. Parents need to make arrangements for early collection of students on this day.

This year we will once again be using an online booking system for parent interviews; more information regarding this will be in future newsletters.

Walk Safely to School Day: The 16th annual national Walk safely to School Day will be held on Friday 22 May. All primary school children, along with their parents and carers, are encouraged to walk and commute safely to school.

The Objectives of National Walk Safely to School day are:

- To encourage parents and carers to walk to school with primary school aged children
- To promote the health benefits of walking and create regular walking habits
- To help children develop vital road crossing skills and ensure children up to the age of 10 years hold an adult’s hand when crossing roads
- To help children develop vital road crossing skills they will need as they become mature pedestrians
- To reduce car dependency and traffic congestion
- To reduce the level of air pollution created by motor vehicles
- To promote the use of public transport.

If you do need to drive to school, maybe park at least 1km from school and walk the rest! Thank you to Mrs Gill who is coordinating Walk Safely to School Day. I look forward to seeing many students, parents and carers walking to school on Friday 22 May 2015.

Sporting Schools Initiative: Campbell Primary School has just received funding for the Sporting Schools Initiative which will provide students, free of charge, with fitness activities on Monday for Years 1 to 3 and Tuesday for Years 4 to 6 after school. This term students will be able to join a Jump Rope Programme with Mrs Gill and Mrs Higgs 3.00pm to 4.00pm.

Permissions slips are available from the School Administration and the school’s website; all notes are to be returned to the office by Monday 18 May 2015.
