Dear Parents

Assembly Changes: Please be advised that there has been a change of dates for the last assemblies for Term 2.

- TOMORROW Friday 26 June 2015 - morning will be the final whole school assembly with Merit Certificates and the item will be performed by Music.
- Next Wednesday 1 July 2015 at 10.30am the Campbell Champion Assembly will be held in the undercover area prior to early closing at 11.30am.

Please note there is NO assembly on 3 July 2015 as previously advised on the Term Planner.

I apologise for the slight change in assembly times, but as it will be my last assembly at Campbell next Wednesday, I would like the opportunity to present the Term 2 Campbell Champions. I hope that this will not inconvenience too many families.

Reports: Student Semester 1 Reports will be sent home tomorrow afternoon. The student reports provide parents and caregivers with important information on their child’s academic achievements, together with their attitude, behaviour and effort. I ask that parents sit down with their child and discuss the report with them. It has been great to read about the outstanding academic achievements of many of our students across all learning areas, and the many positive comments teachers have made about students’ positive behaviour, attitude and effort. I encourage all parents to take the opportunity to meet with their child’s classroom teacher either during the interview afternoon on Wednesday 1 July, before the end of term, or as early as possible next term. Partnerships between school and home are the cornerstone of a positive learning environment.

Reminder: Early Closure next Wednesday 1 July 2015 – 11.30am for parent interviews. Parents are asked to make alternative arrangements for students.

On Wednesday when the school closes at 11:30am for interviews, parents must make arrangements for students to be collected from class or to make their way home. Advice from parents to teachers before Wednesday on arrangements for their children is required. Parents are asked to either: Write a note to their child’s teachers or Email their child's teachers or Email to campbellps@education.wa.edu.au

Winter Carnival: I would like to officially acknowledge Mrs Gill, staff and the parent helpers who assisted with the organisation and running of last Friday’s Winter Carnival. Mrs Gill has provided an overview of the performance of the Soccer, AFL Football, League Tag and Netball results further in the newsletter. Due to the inclement weather forecast, it was touch and go as to whether the carnival would be cancelled for the second year in a row, however once the decision was made, it was great to see all students from across our network of schools competing at an interschool level competitively but fairly. The sportsmanship displayed from all schools was exceptional and the high level of performance was also evidence of the high quality physical education programs operating across the district. Well done to all!

Parent Interviews – Open for Bookings NOW: Thank you to the many parents who have already booked their interview with their child’s teacher. Parents who have not yet made a time are asked to go to http://www.schoolinterviews.com.au/ and book a 15 minute time slot with the teacher/s you wish to discuss your child’s progress with. Please note that the interviews are strictly 10 minutes and ask that all parents are aware of this time limit. Parents who wish to make a longer appointment please contact the School Administration or see the teacher prior to Week 11.

Once you have entered the site please go to the Event Code and enter A5CES

Parents will receive a confirming email. Please contact the Administration if you have any queries.

Bookings will close Tuesday 30 June 2015 at 10.00am.

I trust that everyone has a relaxing and refreshing break if you are taking holidays during the school break, and wish you all the best for the remainder of the year.

**Kindergarten News**

Week 8 saw Kindergarten students dress up for Pirate Day to raise money for childhood cancer. Thank you to the families who brought in a gold coin donation. The students all had a wonderful day engaging in pirate activities in class, such as painting parrots and themselves as a pirate, and then again in Indoor/Outdoor where they had the opportunity to make pirate hats, pirate maps, telescopes and search for pirate treasure!

For the last half of this term the Kindergarten boys and girls have started learning the first three initial sounds in their phonics program. With S, A and T beginning the program, we have seen lots of craft activities to match the letters, sound paintings, and practise with the letter formations. The students have been very excited to come into class with new words beginning with each sound. Week 11 will see a review of the sounds before we move onto new ones in Term 3.

A reminder that on Wednesday 1 July 2015 we will be having a half day closure for interviews to take place. Please book your time slot online. The Kindy staff would like to wish students and families a fun and safe holiday. Kindy A group returns on Monday 20 July 2015.

Thank you,
Kindergarten Staff
