Dear Parents

A warm welcome back to you all and a special welcome to new students to our school and their families. I hope that you all enjoyed the break and managed to spend some quality time together. I have been delighted with my start at Campbell Primary School and have received a very warm welcome from students, staff and families. This is testimony of the strong community that has been established since the establishment of the school. For many of you as parents, Campbell may be the only school experience your children have experienced. As a leader I have worked in several schools and can confidently state that Campbell PS is a school of excellence. The professionalism of all staff and their unwavering commitment to student improvement and developing the whole child is inspiring. There is a strong sense of community, with parents, students and families sharing the vision of the school.

The development of such an exemplary school does not happen by chance and to this end I would like to acknowledge the work of Mr Peter Glendenning- foundation Principal, it is through his work with the executive team, staff and School Council (now School Board) that the vision, direction and success of the school is what it is today. A special thanks also to both Miss Allsop and Mr Holmes whom both held acting Principal positions during Mr Glendenning’s secondment, they both worked tirelessly to ensure the vision of the school was maintained.

I am greatly looking forward to getting to know the families of Campbell PS and I am very interested in hearing where you believe the school needs to head in the future. I will be holding regular Campbell Coffee Chats for parents and strongly encourage you to come along to one of these meetings and share your ideas.

I am thrilled to have joined this community and will work hard to further develop a shared future for Campbell PS. I wish everyone a successful and safe term ahead.

2016 School Destinations: Planning for Campbell’s 2016 school year will commence soon, I would ask that parents please advise the school if their child/ren will not be returning to Campbell next year. Please email Sue Forman, Business Manager – Susan.Forman@education.wa.edu.au if and when you decide your child will not be returning. We appreciate any information that you can provide as soon as convenient.

Today all Year 6 students will be bringing home a form to complete advising the school of the high school they will be attending in 2016. We ask that parents please return this form to the School Administration by Friday 7 August 2015. If a decision has not yet been made please indicate this on the form and then advise the Administration once the choice has been made.

The **Woolworths Earn and Learn** program gives schools around Australia the chance to earn new educational resources. It is as easy as shopping at Woolworths between 15 July and 8 September 2015 and collecting the stickers. One sticker will be given for every $10.00 spent on items other than tobacco, liquor and gift cards, so be sure to ask for your stickers if the attendant forgets. Ask your neighbours and friends to save their stickers for us also.

There will be boxes for sticker sheets in the School Administration and at the offsite Kindy office.
