Dear Parents

Following next week’s assembly I invite parents of the Year Three students to the first Campbell Coffee Chat. I am very much looking forward to working with the parent community and hearing about what you value about the school and what you feel will further enhance your experience and your child’s experience. These meetings will be very informal and will be based upon having open discussions about the school. I really hope to see many parents attend this meeting. Please note that it is fine to bring along younger siblings. Please advise your child’s teacher if you are able to attend. The meeting will be held in the staff room directly following the assembly, at approximately 9:45 am.

Campbell Champions
Today I enjoyed lunch with the Term Two Campbell Champions. I congratulate these students and thank them for living the vision of the school and practising respect, responsibility and friendliness.

Car Park and Safety
There is nothing more precious than our children, as such I implore all parents to stop and think and consider the safety of our children when using the car parks. It is not safe for children to be jumping out of cars when parked in the middle of a car park and yet we have this happening. Yesterday we had a very near miss with one of our students nearly run over. I appeal to you all to think of the safety you would hope exists for your own children and practise this yourselves when dropping and picking up your children. The car park is not a kiss and drop zone. I thank you for your anticipated support in keeping our children safe.

Disabled Parking
I thank the parent community for showing respect to those students and families that require use of the disabled parking bays. Regular monitoring of use of these bays occurs by the local ranger, so please maintain your vigilance in ensuring these bays are used as is intended.

**Scholastic BOOK FAIR** *Books Light Up Our World*

Our annual Scholastic Book Fair will be held from Thursday 13 August to Wednesday 19 August 2015 in the Information Centre and book sales will be available in the morning from 8.15am – 9.00am, at lunchtime and at the end of the school day until 3.30pm. All book sales will benefit the school.

**Save the Sumatran Tiger Fundraiser**

As part of our Buddy Class activities LA17 and LA21 have adopted a Sumatran tiger from the Perth Zoo through the *Adopt an Animal* Program. To support this critically endangered animal we have decided to start a fundraiser with all the donations going to the tigers around Sumatra. The Sumatran tiger is endangered due to habitat loss and poaching and there are now less than 400 in the wild!

We will be having a **Save the Sumatran Tiger donations tin** at each assembly. Please help us take a stand to protect these poor creatures from extinction by donating today!

Kindergarten News

The Kindergarten staff and students would like to extend a very big thank you to the P & C for their generous donation towards resourcing our outdoor play space. We have been able to purchase a variety of games, role play materials and outdoor equipment, to extend and update the outdoor play space. This ensures our students are involved in purposeful creative play and actively engaged in fun stimulating activities. Here are a few of the resources purchased and students playing with them.
We appreciated the offer of assistance from parent helpers from every A & B Kindy class for both days when we were invited to plant seedlings at Sutherlands Park in Huntingdale with Armadale Gosnells Landcare. We thank Mr Hunter and Miss Francis for their guidance and supply of plants and tools. Thanks also to the four bus drivers who I am sure enjoyed the experience of driving our well-mannered youngsters to their excursion.

We hope parents enjoyed either travelling on the bus with us or joining us at the site. We certainly had a great time planting the trees but most of all we were really glad we could create such a positive outcome and make a difference for the environment within our local community. It was great fun and we are sure the plants will grow and provide homes for many animals and birds in years to come.

South Fremantle Senior High School – 2016 Specialist Programs: Information and application forms are available from the Campbell Administration for Marine, Music and Baseball Specialist Programmes 2016.

Building Stronger Families – Thursday 20th August at 22 Southport Street, West Leederville. $120 per family. This six-week course is designed specifically for families with children over the age of 10. Inclusion is the key and any adult involved in the parenting process is invited to come along and learn the skills needed to keep your family healthy. Parents, learn how to be leaders and role models in your family. Children, learn how to be special and also how to belong. This course is based on the work of George Doub and Florence Creighton, authors of Survival Skills for Healthy Families. For further information please phone 9489 6322 or click here.

Mums Raising Boys – Tuesday 1st September – 10-12.30 at 22 Southport Street, West Leederville. $25.00. However well-prepared mothers are logically, the emotional response to having a boy is often still, ‘Wow! This is unknown territory.’ It is true that for many mothers, the idea of raising a son carries its own set of worries. As the primary female role model in a boy’s life, mothers play an important role in the development of their son’s identity including their ability to be nurturing. This in turn affects how they relate to others, particularly to girls and women. For further information please phone 9489 6322 or click here.
