Dear Parents

I congratulate the Campbell Primary School Choir for their outstanding performance at the Massed Choir event on Tuesday evening. The students were exceptional. Congratulations also to the School Rock Band for putting on quite a show last Friday at lunch time. The students and staff greatly enjoyed the performance. A huge thank you to Ms West and Ms Almeida for their efforts in preparing the students for such events.

Literacy and Numeracy Week has been a huge success across the school with many students and staff enjoying the opportunity to dress in book character. Many teachers took great advantage of this rich language experience opportunity to engage students in authentic writing and reading activities.

I would like to thank all the staff and students who were involved in the staff pantomime yesterday; once again it was a very entertaining performance for the students. It was fantastic to see so many smiles and laughs from the students as they watched their teachers on stage.

Grounds Committee Meeting
Next Tuesday at 3:00pm the members of the Grounds Committee will be meeting. Parents/carers are invited to be on this committee. Please advise the front office staff if you are interested in attending.

Campbell Coffee Chats
A warm thank you to the many parents that have attended the Campbell Coffee Chats that are held following Year Level assemblies. These meetings are being well attended and it is great to be receiving such useful feedback form the community about the school.

NAPLAN Student Reports: Today all students who sat the NAPLAN assessment earlier in the year will be bringing home their report. The data received from NAPLAN is a valued resource for future planning in the areas of Literacy and Numeracy throughout the whole school.

Parents are asked to refer to the Parent Information booklet that is enclosed with the report. We ask parents to remember that this is a snap shot of your child’s performance on a particular day. Should you have any queries or require additional information please make a time to chat to your child's teacher.

NAPLAN – Parent Information Booklet - Translated - Parents of students who speak a Language other than English at home can now source the Parent Information Brochures for NAPLAN in various languages on the school website.

FATHERS’ DAY STALL - TOMORROW Friday 4 September 2015 is our Father's Day stall. Each class will have the opportunity to attend the stall. Students can purchase a gift for a cost of $6.00.
R U OK? Day coming up on NEXT Thursday 10 September 2015
This year, Campbell Primary School will be recognising “R U OK? Day” on Thursday 10 September 2015. This national day of action aims to increase community awareness about ways to support each other through life’s ups and downs. It is important for us to look out for others and give the opportunity to say “I’m not ok” to a friend or a family member. It is really important for everyone to feel connected with someone and have an honest and open communication. Let’s get together to help stop little problems becoming bigger by connecting with someone in your school!

Classes for 2016: Planning is underway with respect to classes for 2016. If parents have specific requests for 2016 please send them through by email to Sue Forman, Business Manager on Susan.Forman@education.wa.edu.au or as a letter addressed to the Principal, delivered to the front office. Requests will be considered if they are based on educational need. Requests for 2016 close on the last day of this term, 25 September 2015.

Book Week

Thank you to all parents, students and staff for making yesterday's Book Week Extravaganza an incredible event. We celebrated Book Week in style with so many thoughtful and colourful character dress ups.

Parades held across the expanse of our school were enjoyed by all, especially some very enthusiastic teachers! Students also had great fun working with their parents in classes and enjoyed showing off their amazing literacy and numeracy skills.

The wonderful day was drawn to an incredible close by the staff pantomime. Students were thrilled watching their teachers dress up and solve the mystery as to who turned out the lights? Luckily reading, as well as Luke Skywalker, came to the rescue. Thank you again to our entire community for making this such a successful and enjoyable day!
