Dear Parents

Welcome to LA 14. Our names are Mrs. Lisa Overmars and Mrs. Wendy Horne and we are looking forward to teaching your child in 2016.

We have both taught at Campbell Primary for a number of years, and in 2016 we will be sharing Year 6 in LA14. Generally Mrs. Horne will teach Monday and Tuesday whilst Mrs. Overmars will teach Wednesday to Friday. One of the many advantages of having two teachers is that generally we cover for each other rather than having to use relief teachers in the event of illness or leave. In order to make communication easy for all of us, we ask that you always email both of us and that we will always cc our replies to each other.

Our philosophy of teaching and learning is that your child is unique and that working with you and your child should allow the creation of high expectations, maximization of strengths and progress in areas of need. We aim to continue developing the students’ personal responsibility for their learning, the ability to accept challenges and the resilience to deal with the changes entailed in becoming a young adult.

This year is going to be jam-packed with learning opportunities and great experiences for your child. To see what we are up to, please visit the class web page regularly and if you have not already done so please go to the app store and download the Campbell Primary School App. We look forward to meeting you in the first few weeks of school and if you have particular concerns you wish to discuss, please contact us via the school administration on 94568300 or email us as below.

We wish to thank you for the support we know you will give to your child, to our classroom, to our school and for entrusting us with this special year in your child’s education journey.

Kind regards
Lisa Overmars and Wendy Horne
