Let's Discover!

• What do I think I know?
• What do I want to learn?
• How will I find out?
Let's Find!

. Where can I find the information that I need?
What questions do I need to ask?
. What are my key search words?
Let's Select!

- Is it the right kind of information?
  - Are my sources reliable?
- What information am I missing?
- Have I collected enough evidence?
  - Is there anything to leave out?
Let's Do!

- How can I best show my information?
  - Have I used my own words?
  - Have I used a bibliography?

Eg: www.tigers.com
Let's Create & Share!

- Who is my audience?
- How can I share my information with my audience?
- What is the best way to present my information?
- Have I met the assessment criteria?
Let's Reflect!

- What have I learnt?
- What feedback did I receive?
- How could I improve my inquiry process next time?
