Let's Discover!

. What do I think I know?
. What do I want to learn?
. How will I find out?
Let's Find!

. Where can I find the information that I need?
. What are my key inquiry questions?
. What are my key search terms?
Let's Select!

- Is my information the right kind of information?
- Are my sources reliable?
- Have I used both primary and secondary sources?
- What information am I missing?
- Have I collected enough evidence?
Let's Do!

- How can I organise my information in the best way?
- Can I use a HOTS strategy to analyse my information?
- Is my information in my own key words?
- Have I recorded my search path or listed my sources in a bibliography?
Let's Create & Share!

- Who is my audience?
- How can I share my information with my audience?
- What is the best way to present my information?
- What technologies are suitable for my purpose?
- Have I met the assessment criteria?
Let's Reflect!

- What have I learnt?
  - What aspects of my inquiry were successful?
- Was my presentation method suitable?
  - What peer/teacher feedback did I receive?
  - How could I improve my inquiry process?
