Dear Parents / Caregivers,

I am delighted to let you know that your child has expressed an interest to join the Campbell Primary School Choir for 2018. This year the choir will not be auditioned. Also, I will be directing the choir to prepare the group for special performances throughout the year.

Rehearsals will be held weekly in the Music Room before school on Wednesdays from 7.30 – 8.30am beginning in week 4 on February 21.

Please note that children are expected to be ready to sing at 7.30am, and therefore they should be arriving a few minutes before this time. Before your child makes a commitment to the choir, please discuss with them a yearly commitment and punctuality to all rehearsals.

The children will have the opportunity to develop their singing and choral skills at rehearsals throughout the year and perform at a variety of school and community events, including the WA Massed Choir Festival – an exciting event involving our choir singing with a massed choir of over 400 children at the Perth Concert Hall on one night TBA from the 12<sup>th</sup>-20<sup>th</sup> September. The date will be confirmed, once our application has been successful as many schools apply to perform for this prestigious event. It would be most appreciated if you could please check your child's availability for those dates and mark the dates in your diary. If your child is not available on those dates please let me know as soon as possible. Your child will still be in the choir but will not perform at this particular event. *There will be a cost involved for transport to the two rehearsals and the final concert. These details and more information will be outlined and given to you closer to the event.*

Please keep an eye out for any choir news and updates in the **Music Matters!** section of the school's monthly newsletter. I will also correspond with you via email regarding special events, particularly around performance times.

It is important that children make a commitment to the choir once they have joined, therefore regular and punctual attendance at rehearsals is required and practice at home would be most beneficial. We will expect our choristers to demonstrate the **Campbell Virtues of Respect, Responsibility and Friendliness** during rehearsals, performances and excursions.

Please fill in the attached note and return it by **Thursday February 15 to Mrs Perica (Music Room)**, to confirm your child's position in the choir.

Lastly, I would very much appreciate any parent helpers to organise and assist with choir uniforms for performances and if you are interested and available, please nominate your details below.

Kind Regards,

**Marisa Perica**

ACCEPTANCE and CONTRACT  
RETURN TO MRS PERICA**

I, \_\_\_\_\_ in Year \_\_\_\_ LA \_\_\_\_  
(print full name - student)

accept my position in the Campbell Primary School Choir for 2018.

I understand that I must commit and be punctual to attending all rehearsals throughout the year in order to be involved in performances and to receive an end of year award.

I understand that excellent behaviour at rehearsals, performances and excursions is expected of all members of the school choir and I am expected to practice my choir repertoire at home every week.

I understand that positive behaviours and commitment to the Choir programme is required if I am to maintain a place in the choir. Inappropriate behaviours and or lack of commitment to the programme may result in being withdrawn from this programme. In this circumstance a meeting will be called between the parents, the student, Mrs Perica and the principal to determine ongoing participation.
