

Have you travelled overseas recently or been in contact with any confirmed cases of COVID-19?

WHO NEEDS TO ISOLATE? All people who arrive in Australia from midnight (AEST) 15 March 2020.

Action required: Self-Isolate
14 day incubation period.

Following this incubation period, with no symptoms, students may return to school. No medical certificate is required.

WHO NEEDS TO ISOLATE? Anyone who thinks they may have been in contact with a confirmed case of Coronavirus.

Action required: Self-Isolate
14 day incubation period. Following this incubation period, with no symptoms, students may return to school. No medical certificate is required.

Yes

No

Confirmed Case

The school will be advised by the Chief Health Officer. Campbell Primary School will act on this advice.

Attend school.

- If a student is at school with cold or flu like symptoms, normal procedures will occur including phoning the parent/carer and the student should be kept home until well again.

School based enquiries email:
campbell.ps@education.wa.edu.au

Health enquiries website:

Preventative measures are in place including:

- Use soap and hand sanitiser.
- Use own drink bottles, mugs, cutlery, etc.
- Student education is reiterated in classrooms regularly including hand washing practices, teaching the management of coughing, sneezing and blowing noses, etc.
- Regular communication will occur regarding updates.
- General school cleanliness (including disinfectant spray, changing medical bay bedding, wiping surfaces, work station cleaning, etc).
