Dear Parents and Carers

Re: Planned Graduation Events for 2021

The year is rapidly passing and we would like to outline plans and possible costings for our 2021 graduating students.

Term 4 is a very busy term for our Year 6 students. They will be attending induction days at their chosen high schools, they will be completing their primary education, working together to plan a whole of school fun fair, practising for their formal graduation and attending their formal graduation as well as going to their graduation dinner and disco and attending an offsite celebratory excursion at Bounce.

There are a number of costs associated with these plans and these estimated costs are provided below to assist you in planning for the remainder of the year.

The quoted cost of the dinner and disco at Gosnell Golf Club on 15 December is \$48 pp.

The excursion to Bounce on 7 December is \$25.60 pp

Paperwork for both these events will be sent out towards the end of this term.

The school usually organises either a soft soccer ball or bear for each student that can be signed by classmates. The estimated cost of the ball is \$16 and the bear is \$18. Miss Gibson will send further details about this closer to the time.

There is also an incursion for all Year 6 students in Week 2 of Term 4. It is being presented by the Bullyzero organisation and centres on new beginnings at high school. The cost of this incursion is \$5.15 pp.

In addition, a transition evening will be offered to all parents on Tuesday 9 November. The purpose of the evening will be to provide information and strategies to support your child in navigating their social emotional world as they become adolescents. There will also be information and strategies provided on supporting responsible social media usage as the challenges around this media become more complex. Our school psychologist Ms Claire Tan will speak and there will also be representatives from Canning Vale College. Please save the date. Feedback from past sessions has been extremely supportive.

We look forward to supporting your child as they continue to transition to high school.

Kind regards

Mandy Ward

Assistant Principal
